

WRC Naples Literacy and Education Committee

PATRIOT READERS

Our Mission

In accordance with the Florida Civics Initiative, Patriot Readers aim to promote Americanism and free speech through literature and education in the Collier County public and private schools.

Our Vision

To utilize the expertise of our committee members to fulfill our state's Civic Literacy and Excellence Initiative and encourage children to love their country.

What is a Patriot Reader?

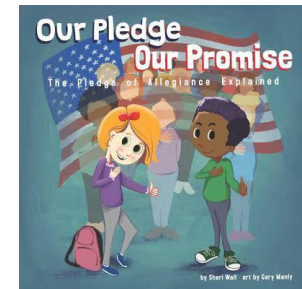

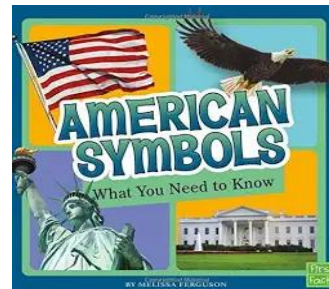

A Patriot Reader is one who enjoys sharing the love for their country by reading to children in their community.

What age Students are The Patriot Readers Reading To?

Currently, we are reading to Kindergarten and First grade students in the Collier County Public Schools and Private Schools. Yet, our goal is to read and engage students' K-12 in patriotic books and reading material in the public, private, and charter schools of Collier County. As of now, more than 700 students have been read to throughout the Collier County Schools.

What Books are Being Read?

Books that meet the Florida Civic Literacy and Excellence Initiative Standards for K-12. Close to 60 books were gifted to the classrooms.

How do I become a Patriot Reader?

Becoming a Patriot Reader requires having a passion to share the history and love of our country with children in your community and signing up as a Patriot Reader through The WRC Naples Literacy and Education Committee. This can easily be achieved by contacting Jeanne Rock or Doreen Miner at PatriotReaders2023@gmail.com
